Enclosed please find a patient information form to be completed and brought with you the day of your appointment. Be sure to sign where indicated.

You are asked to bring a list of your medications, the dosage and how you are taking them.

If recent testing has been done (labs, x-rays, MRI, CT scan), please bring a copy of these with you as well as the **ACTUAL FILMS AND/OR DISC**. This will eliminate duplicate testing being ordered, plus the doctor likes to review the actual films while you are here for your appointment.

If your insurance requires a co-payment, this will be payable the **DAY OF YOUR VISIT**, before you are put into an examination room. **Please be sure to bring copies of your current insurance cards** so that we can copy them on each visit.

If your insurance requires a referral form, it is **YOUR RESPONSIBILITY** to make sure that the referral form is here or you may bring it with you the day of your appointment. **IF NO REFERRAL, YOUR APPOINTMENT WILL BE RESCHEDULED.**

If you **DO NOT** have any insurance coverage, payment in full is expected the day of your visit. Failure to comply with the above will only delay your appointment, as it may be necessary to reschedule.

Thank you for your cooperation.

- Your privacy rights in your IIHI
- Our obligations concerning the use and disclosure of your IIHI

The terms of this notice apply to all records containing your IIHI that are created or retained by our practice. We reserve the right to revise or amend this Notice of Privacy Practices.
